Laudio®
BY NATIONAL

Essential comfort with practical value.

Available in 6 colors, Laudio's mesh back provides breathability and conforms to support the user. Its height adjustability mechanism, synchro tilt feature, and locking back allow the user to adjust Laudio to fit their height and chair recline preferences to maximize productivity and comfort. The optional seat slide, headrest, and adjustable arms offer even more ergonomic customization. Available with arms or armless, it fits a variety of spaces and user needs.

Idara®
BY NATIONAL

Wrap yourself in luxurious comfort.

Idara's sweeping curves are precisely designed to embrace guests and draw attention. From its elegant wood legs to its utilitarian mobile base to its industrial steel base options, Idara's notable contours offer an eccentric mix of drama, opulence, and relaxation. With mid and high back options, as well as a grandiose multi-seat unit, its charming yet seductive arm composition and indulgent wingback detail create a curious harmony of vintage style and contemporary glamour.

Nate & Natty™ BY KIMBALL

The shape of Nate & Natty is intentionally simple, yet still able to vibrantly enhance a space. Another key element of the design was versatility. They believed that the collection had to be adaptable so it can live with a client for a long period of time, providing balance that allows diversity of people in the space to feel comfortable. The ability to offer a mix of materials, textures, and colors makes Nate & Natty a lively offering with a fresh approach to standard seating.

Intentionally simplistic in form.

An adaptable seating collection that provides balance, comfort, and versatility.
